

WEEKLY SPECIALS

DINNER BOX

Cream of Broccoli Soup: Heat over low until desired temperature.

Roasted Carrots: Heat on 350F for about 15 minutes or until warm. Dress with vinaigrette and nuts.

Tomato Tarte: Heat in oven at 350F 10-20 minutes until warm and crisp on edges. Also great at room temperature!

Scalloped Potatoes: Heat in oven at 350F with a lid or foil for about 20 minutes or until warm through.

Asparagus salad: Toss with dressing a few minutes to one hour before serving. Toss breadcrumbs in before serving.

Note: all items can alternatively be microwaved.

BRUNCH BOX

Quiche: Heat in oven at 350F with a lid or foil until warm, about 20 minutes.

Scones: Perfect the way they are. Add butter for extra indulgence.

Kale Salad: Dress before serving.

A LA CARTE

Deviled Potatoes: Use a pastry bag, plastic bag with corner cut off, or a spoon to put the filling in the potatoes.

Caramelized Mushroom Hand Pie: To heat finish by baking in 350F degree oven for 15-20 min, checking at 10 min.

PANTRY ITEMS

Hollan-don't Sauce: To heat hollan-don't sauce warm skillet on lowest setting, add sauce and heat until just warm. Add water to thin it out as needed. Make sure not to heat this on too high of a temperature because it will cause sauce to thicken (still tastes good though!)

Frozen Cookies: Preheat oven to 350F, place however many cookies you would like to enjoy on a lined cookie sheet, bake for 10-14 minutes. Both the orange cardamom and brown butter rosemary cookies will look a little underdone so make sure not to leave them in the oven too long.

Frozen Soups: Take out to thaw, add soup to pan and heat until your desired temperature.

Winter Squash Ravioli: Boil salted water in pot, stir water to get it moving and add ravioli. Cook by stirring occasionally until done, about 5 minutes. Ravioli will float to top when it's done. Top with your favorite sauce (ours is our pistachio pesto, also great with a browned butter sage sauce, or simply with olive oil, salt, and chili flakes).

Winter Squash Lasagna: If you have time thaw in fridge overnight then bake on 375F for about 60 min. To heat from frozen place in a 375F degree oven for about 90 min.
